

# OnlyBookmarks

## Instructions

### Step 1.

Cut out following the grey dash lines. Cut lines 1,2,3 and 4.

### Step 2.

Fold in half along the vertical fold line 5 and crease.

### Step 3.

Using a gluestick, spread glue over the backside of the bookmark, fold in half along and stick together.

### Step 4.

Fold the top section down.

### Step 5.

Cut carefully along the white solid lines.
